## Westport man accused of harassing women arrested again

By Sophie Vaughan Published 3:40 pm EST, Monday, February 11, 2019

Westport resident James Lawrence was charged with second degree harassment in town on Feb. 6.

---

WESTPORT — A local man alleged to have harassed women for years at area stores has once again been arrested.

Resident James Lawrence, 53, was arrested on charges of second-degree harassment after a victim told the Westport police on Sept. 18 that she was repeatedly harassed by Lawrence. The victim said she made multiple requests to Lawrence that he stop contacting her, but he continued to contact her through email, police said.

Police submitted a warrant for Lawrence's arrest, and on Feb. 6 he was taken into custody after an officer spotted him at a local gas station. Lawrence was brought to

police headquarters and released after posting a \$25,000 bond. He is scheduled to appear in state Superior Court of Norwalk on Feb. 7.

---

Lawrence was also arrested in March after he allegedly followed a woman around Westport's Fresh Market grocery store and then to her car in November 2017. After Lawrence's **arrest report** was released in March, several woman came forward claiming they **had experienced similar harassment** from Lawrence at local shops.

Since 2002, Lawrence was logged by Westport police in 10 incidents where women felt harassed by him, but in each case, they felt afraid to pursue charges against him for fear of retaliation, according to court documents.

Lawrence has a record of arrests outside of Connecticut, including resisting arrest and fleeing/eluding police in Florida. In California, he was charged with petty theft, theft of personal property, stalking, inflicting corporal injury to spouse and battery of a spouse.

In court documents, officer James Sullivan, who was charged with investigating Lawrence in preparation for his March arrest, detailed the 10 incidents in which women reported Lawrence to the Westport police.

"In all of these complaints, Lawrence was seen following the complainants around a store or coffee shop and then following them out to their cars, where he would either

stare at them or get right into their personal space. In most of these cases, Lawrence was told his actions scared the complainants to the point of them calling the police," Sullivan wrote.

In the Fresh Market case, the complainant would not provide a sworn statement for fear that Lawrence would find her and retaliate, Sullivan wrote.

"I also learned that in all the nine other cases that the complainants all felt the same way. That they all feared for their safety and because of this were reluctant to provide statements," he added.

## DISSECTING WESTPORT NEWS ARTICLE #3

### Westport man accused of harassing women arrested

**again** (WHO accuses? More taking liberty beyond wording of 2018 first arrest warrant)

By [Sophie Vaughan](#)

*WESTPORT — A local man **alleged** to have **harassed women for years** (Fact: lived in San Francisco from 2006-2016) **at area stores has once again been arrested.***

Once again – now it is “alleged” yet a year before there was no “alleged”. It is like this 21 year old reporter is learning on the job at my expense. **Fact: There was no previous harassment.**

*Resident James Lawrence, 53, was arrested on charges of **second-degree harassment** after a victim told the Westport police on Sept. 18 that she was repeatedly harassed by Lawrence. The victim said she made multiple requests to Lawrence that he stop contacting her, but he continued to contact her through email, police said.*

*Police submitted a warrant for Lawrence’s arrest, and on Feb. 6 he was taken into custody after an officer spotted him at a local gas station. Lawrence was brought to police headquarters and released after posting a \$25,000 bond. He is scheduled to appear in state Superior Court of Norwalk on Feb. 7.*

The real truth of this crooked arrest standing at a Nolle Prosequi will fascinate you. For example **Fact:** Complainant living in my very own home mentions **Article #2** The Big Deuce 9 times in her Sworn Written Statement and commits multiple acts of perjury in a scorned attempt to get me arrested. I will be presenting all the evidence eventually as part of the Damages and effect of the **Article #2** Big Deuce that hypes unproven and unprovable **harassment** putting a target on me. The evidence is astounding and life changing.

*Lawrence was also arrested in March after he allegedly followed a woman around Westport’s Fresh Market grocery store and then to her car in November 2017 (once again NOT “followed around” but at least reporter this time keeps the alleged following around to one location - market for proper Arrest Warrant wording is “followed at a market and out to car”). After Lawrence’s arrest report was released (how and from whom?) in March, several woman (**very telling misspelling**) came forward claiming **they had experienced similar harassment** from Lawrence at local shops. Since 2002, Lawrence was logged by Westport police in 10 incidents where women felt **harassed** by him, but in each case, they felt afraid to pursue charges against him for fear of retaliation, according to court documents.*

"Several woman"? WENDY HIGGINS CHAMBERS. NAMES AND QUOTES? "Similar"? AND once again, Police never use the **harassment** language. **UTTER LIBEL.**

*Lawrence has a record of arrests outside of Connecticut, including resisting arrest and fleeing/eluding police in Florida. In California, he was charged with petty theft, theft of personal property, stalking, inflicting corporal injury to spouse and battery of a spouse (doxxing material against Police redaction policies (See Exhibit H) **and not giving the audience any facts as to final dispositions. Reporter this time had over a year to get facts.** AND REPORTER FAILS TO SEE POLICE LEAVE THIS OUT OF THE WARRANT FOR THE FEB.6, 2019 ARREST FOR ALLEGED **EMAIL HARASSMENT** (SEE EXHIBIT K page 10) FOR A REASON – SO THE SAME DOXXING DOES NOT HAPPEN AFTER ALTICE/NEWS 12 FIASCO, AND THIS DOXXING OF ARREST RECORD IS NOT WITHIN THE POLICE REPORT TO WHICH HEARST SUBMITS AS AN EXHIBIT – See Hearst ECF 14 #5-Exhibit D.*

*In court documents, officer James Sullivan, who was charged with investigating Lawrence in preparation for his March arrest, **detailed the 10 incidents** in which women reported Lawrence to the Westport police.*

When? Who? How? NO OFFICER SULLIVAN DID NOT DETAIL THE INCIDENTS (See Exhibit B). Reporter KNOWS I had no criminal history in Ct., and a proper reporter (not biased feminist) would have interviewed the police or afforded me an interview for perspective.

*“In all of these complaints, Lawrence was seen following the complainants around a store or coffee shop and then following them out to their cars, where he would either stare at them or get right into their personal space (alleged one time acts that were fully investigated resulting in no arrest – unproven and unprovable anything with statute of limitations in effect. Past officers obviously saw no criminal intent and no breakage of any law for if they did find probable cause and thought I broke any law I would have been arrested.). In most of these cases, Lawrence was told his actions scared the complainants to the point of them calling the police,” Sullivan wrote. In the Fresh Market case, the complainant would not provide a sworn statement for fear that Lawrence would find her and retaliate, Sullivan wrote.*

*“I also learned that in all the nine other cases that the complainants all felt the same way. That they all feared for their safety and because of this were reluctant to provide statements,” he added. (Fact: the March 5, 2018 arresting incident of Second Degree Breach of Peace did not have a sworn written statement and there was no witness.)*

HEARST NOW KNOWS as of 2021 Deposition (See Exhibit I) that this is false there are no past Incident Reports that document this lie (See Exhibit B) and police are getting sued over this. Where is their judgment?

**2 OF THESE UNPROVEN AND UNPROVABLE ARTICLES NOW FLOATING AROUND 24/7!!!! UTTER PERSECUTION DEVOID OF EVIDENCE. THIS IS THE ONLY "HARASSMENT" STORY TO REPORT ON AND ITSELF IS UTERLY CORRUPT EMAIL NONSENSE.**

PROVE **police** are saying I **harassed women for years**.

PROVE YOU KNOW THE DEFINITION OF "ACCUSED".

PROVE any alleged **harassing** at markets in the past.

PROVE any past “case” had anything to do with **harassment**.

PROVE that reporter did not omit the word allegedly in her **Article #2** hit job.

PROVE that reporter did not do this special story without bias.

PROVE you know basic laws and basic dictionary definitions.

PROVE you know the “*mind of the average reader*”.

PROVE your reporter did not know of my clean Ct. Record when reporting this.

ETC...

THIS CASE BELONGS IN FRONT OF A JURY. APPEAL COURT NOT DOING THE RIGHT THING GIVEN WHAT HEARST KNOWS WOULD BE A HUGE INJUSTICE. BECAUSE OF COVID 19 A FINAL DISPOSITION FOR THIS **ONE AND ONLY HARASSMENT ACCUSATION AND ARREST** WAS NOT SOLIDIFIED AS OF JULY 2021 BUT SHOULD BE RESOLVED BEFORE APPEAL DECISION IN 2022.
