**Affidavit**

The undersigned affiant, being duly sworn, deposes and says:

1. That I, Officer James Sullivan, have been a police officer in the State of Connecticut since July 30, 1990. I am currently a regular member of the Westport Police Department and have been since March 07, 2016. I am currently assigned to the patrol division where my duties include the investigation of Breach of Peace complaints. At all times mentioned herein, this affiant was acting as a member of the Westport Police Department and the following facts and circumstances are stated from personal knowledge.

2. That on November 05, 2017, at approximately 6:18 p.m., I was dispatched to 605 Post Road East, the Fresh Market, for the report of a suspicious person. Dispatch advised that the complainant stated that a white male with short brown hair, approximately 6' tall, wearing a green fleece jacket and blue jeans had followed her around the inside of the store while she was shopping. That this person then followed her out to her car and just stood in front of her car staring at her. That she quickly got into her vehicle and locked the doors and when she looked again, this person was standing right next to her drivers door. She stated that she drove away to get away from this person and called the police.

3. That upon police arrival at the store, there was no one fitting that description found in the area. In speaking with the store manager, Anthony Castagnazzi, he stated that he did not see anyone fitting that description in the store and was unaware that anything had happened.

4. That while still inside the market speaking with Castagnazzi I also learned that this department has had other similar incidents involving an individual by the name of James Lawrence, dob 12/15/1965. When asked, Castagnazzi stated that the store did not have security cameras so there was no security video of this incident.

5. While on my way to police headquarters to try and make contact with James Lawrence, I was dispatched back to the Fresh Market to speak with Castagnazzi again and James Lawrence who

**Finding**

The foregoing Application for an arrest warrant, and affidavit(s) attached to said Application, having been submitted to and considered by the undersigned; the undersigned finds from said affidavit(s) that there is probable cause to believe that an offense has been committed and that the accused committed it and, therefore, that probable cause exists for the issuance of a warrant for the arrest of the above-named accused.

was now also there.

6. That upon returning with Lt. Gouveia and Sgt. Russo we met with James Lawrence and Castagnazzi inside the store. When asked, Lawrence stated that he had returned to the store to turn over a \$100.00 dollar bill he had found on the floor as he was walking out of the store. He stated that he walked over to the complainants car to see if the money belonged to her but when he approached her vehicle she drove away before he could say a word.

7. That Lawrence was questioned about following the complainant around the store prior to leaving and then standing in front of her vehicle staring at her. He stated that he did not do either. That he was just inside the store shopping as he always does. Lawrence was then asked why he waited so long before turning the money over to the store and why he left the store with the money instead of turning it in right away. Lawrence became very agitated and said that he did nothing wrong. Lawrence was advised that it was his behavior and the fact that he followed the complainant all the way to her car making her very nervous for her safety that the police were involved in this matter. *? 15 feet in front of store. Cars parked next to each other*

8. That Castagnazzi did confirm that Lawrence did turn a \$100.00 dollar bill to him. He stated that the stores policy is to put the money in an envelope and store it in the store till someone claims it.

9. That this Affiant believes it is possible that Lawrence was still in the area when police initially arrived on scene and saw us arrive. That he then went home, obtained the \$100.00 dollar bill and returned to the store to provide himself with a cover. That Castagnazzi did state that Lawrence did not want to give his name or talk to the police. That he called the police and had to convince Lawrence to remain there till we arrived.

10. That during our conversation with Lawrence we would have to keep reminding him to lower his voice and stop swearing. He stated that he felt the police were harassing him. That he was arrested in a previous incident in this town (file #2017-022558) and he was able to get the charges cleared because he did not do anything wrong. In checking this file later, I learned that there is still a protective order in effect against Lawrence. *False - no arrest.*

11. That in checking this departments case history with Lawrence, I learned that there were 10 case incidents logged from 2002 till present. In all of these complaints Lawrence was seen following the complainants around a store or coffee shop and then following them out to their cars where he would either stare at them or get right into their personal space. In most of these cases, Lawrence was told that his actions scared the complainants to the point of them calling the police. He has even stated himself that he needed to rethink his approach with woman. That I also learned from these reports that there were a lot of other incidents with Lawrence that *Lies B.S.*

**Affidavit - Continued**  
were not reported to the police.

12. That on December 12, 2017 a Criminal History was performed for James Lawrence, dob 12/15/1965. It was learned that he does not have a Connecticut History but he did have an Arrest Record in the states of Florida and California. In Florida he had charges of Resisting Arrest and Fleeing/Eluding Police. In California he was charged with Petty Theft, Theft of Personal Property, Stalking, Inflicting Corporal Injury to Spouse and Battery of Spouse.

13. That in this case, the complainant would not provide a sworn statement for fear that Lawrence would be able to find out who she was and then be able to retaliate against her. I also learned that in all the 9 other cases that the complainants all felt the same way. That they all feared for their safety and because of this were reluctant to provide statements.

14. That based on the aforementioned facts and circumstances, this Affiant believes that probable cause does exist and respectfully request the issuance of this arrest warrant charging James Lawrence, dob 12/15/1965 of LKA West Parish Rd. Westport, CT. 06880 with Breach of Peace in the second degree in violation of C.G.S. 53a-181.
